Dear Chairman DeFazio and Ranking Member Graves,

I am requesting funding for the I-35 Operational Improvements Project in the surface transportation reauthorization legislation.

The project sponsor is the Oklahoma Department of Transportation and is located in Moore and Norman, Oklahoma.

The funding is designated for operational improvements between Moore and Norman, Oklahoma. This work would include frontage road modifications and ramp modifications to the interstate.

The project is an appropriate use of taxpayer dollars and is anticipated to provide a safe, economical, and affective transportation network for the people and communities of Oklahoma by maintaining a safe and efficient highway system.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in cursive script, appearing to read "Tom Cole".
