Dear Chairman DeFazio and Ranking Member Graves,

I am requesting funding for the SH-9 Widening Project in the surface transportation reauthorization legislation.

The project sponsor for this project is the Oklahoma Department of Transportation and is located between Norman and Pottawatomie County Line.

The funding is designated for Oklahoma State Highway 9 (SH-9), reconstructing and widening the 2-lane roadway to 5 lanes for increased capacity and safety improvements.

The project is an appropriate use of taxpayer dollars and is anticipated to provide reliable infrastructure that will connect households, employment, healthcare, and education.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tom Cole  
Member of Congress
